AGREED ORDER DISMISSING PROCEEDING
WITHOUT PREJUDICE

THIS MATTER coming before the Court following the pretrial conference held on November 17, 2015, and the representation and agreement of the parties that they have settled the matters in dispute between them in this adversary proceeding on terms which may necessitate this proceeding being reopened in the future and an agreed form of judgment entered, as indicated by the approval hereof by the counsel for the parties, and the Court being otherwise sufficiently advised, finds that there is good cause for entry hereof,

IT IS THEREFORE ORDERED that this adversary proceeding is dismissed without prejudice to being reopened by Plaintiffs in the event of an uncured default by Defendants under the parties' Settlement Agreement.
